General Conditions: Unless otherwise specified a 8 hour day, 8 hour night/weekend minimum will be incurred on any trucking day, as well as a 8% increase on all rates for nights and weekends. On all night work there will be a 24 hour cancellation policy or a 8 hour minimum will be applied. All tonnage quotes are per US ton based on full loads and direct routes to and from the jobsite and never will any averaging of standby be allowed. Standby will be assessed at the first point of arrival or delay due to the construction site (i.e., traffic control, detours, etc.) and will end when the truck is free and clear to return to the plant or point of origin without delay. If for any reason there is a dispute over standby all tonnage prices will be reversed to hourly rates. If trucks are sent back on standby and don't receive a load there will be a return charge applied for each truck that does not receive a load. A fuel increase will be applied to all rates at 2% for every \$0.20 after the fuel reaches four dollars a gallon. For a current rate on fuel please refer to www.eia.gov on-highway retail diesel prices. All quotes including material subject to change without notice depending on material availability. Also, it is customer's responsibility to make WTB aware of any prevailing wage cost's associated with project. WTB will pass on the extra costs associated with prevailing wage to the customer. To ensure truck availability WTB requires a weekly estimate of trucks needed, with a Minimum of 24 hour notice of confirmation for the scheduling of trucks required. Also, WTB Inc. is a Vendor not a Sub Contractor.

Use of Quote: Unless otherwise specified herein this quote will be VOID 30 days after the noted bid date of WTB Inc. Due to material availability and price fluctuations all material prices will be VOID after 30 days.

Payment: All invoices shall be paid by the 20th of the following month. Late payments will be assessed carrying charges at 1.5% compounded monthly on the outstanding balance.
